432 × 428 × 16 mm

Tool cabinet, Pro-line 400

Stainless steel working surface with small component compartments and tool holders. Full-length plastic impact protectors on each corner. Extremely stable, with integrated anti-tilt ODOO system (One Drawer Open Once), which prevents drawers from being simultaneously opened while allowing all drawers to be pulled out to their full extent and to be centrally locked. Perforated side panels for fitting with the supplied accessories and hence expanding the cabinet's effective area. Ball bearing mounted, 5" x 2" high-performance wheels for additional stability. All of these cabinets can be expanded with an MDF worktop and additional accessories.

Tool cabinet, Pro-line 200

Sturdy workshop tool cabinet with ABS working surface and rubber impact protectors on each corner. Ball bearing mounted fully-extendable drawers designed for storing a large number of different tools. Extremely stable, with integrated anti-tilt OD00 system (One Drawer Open Once), which prevents drawers from being simultaneously opened while allowing all drawers to be pulled out to their full extent and to be centrally locked. Equipped with a side-work-table, tool insertion strip and spray can holders. Therefore the Pro-line 200 cabinet provides more effective area. Drawer handle bar with guide for individual drawer content labels. Ball bearing mounted, 5" x 1.25" high-performance wheels. All of these cabinets can be expanded with tool chest P203.
